

Windy Cove Church is having a new picture directory made of those who are members and attenders at the church.

Along with this ministry, we are offering our community friends the opportunity to have family photos taken by professional photographers from Lifetouch Photography.

Each person or family will receive a **free 8 by 10 portrait** just for having your picture taken.

There is no obligation to buy any pictures, but other prints may be purchased if desired. Community friends need not be included in the new directory.

To take advantage of this opportunity, simply call the church office at 997-9183 to schedule an appointment or to get more information.

Appointments are available for Sunday, September 10, and Monday, September 11; but openings are being filled on a first-come, first-served basis. So, call soon.

Windy Cove is offering this opportunity as a service to our community without any obligation or benefit to the church. We simply hope that folks will enjoy the pictures that they have made.

May God bless you!

For our Regular Readers

We are taking a brief break from our regular publication to issue this special invitation to all our friends and neighbors in the Millboro area. We hope that all our readers will welcome the opportunity to have portraits made.

The idea for this ministry arose in conjunction with our annual Homecoming since the theme this year is A Picture in Time. We will celebrate Homecoming on Sunday, September 10, at 11 a.m. We hope to see many of you there.

With warm regards,
Rob Sherrard
